THE SECRETARY TO THE GOVT. OF MYSORE,

General and Revenue DEPT.

SIR,

In returning herewith the Travelling Allowance bill of your office Establishment for December 1899-February 1900, I have the honor to state that the routes taken by all the officials are not the same as is ~~endorsed~~ evidenced by the Railway fares charged for in the bill, and that in the case of some, steamer fares have been charged. I therefore request that you will be so good as to certify to the necessity of these officials having had to travel by different routes and to retransmit the bill to this office for audit, noting therein in detail the routes by which the journeys for which the travelling allowance is claimed were performed.-

The travelling allowance claimed in two cases for halts made at Head Quarters Bangalore under article 555 appears to have been sanctioned by Government as endorsed by the Assistant - Secretary, but that fact has not been noted in the memo No 101 signed by the secretary. I request therefore that the Omission may be supplied and the bill retransmitted to this office for Audit.

I have the honor to be

Your most obedient Servant.
